# ALLERGY INJECTIONS WHILE AT DENISON

Have You Spoken to Your Allergist?

Do You Know The Serum Delivery  
Options?

# WHAT YOU NEED TO KNOW!

#1. **TALK** with your allergist about receiving your injections at Denison.

## #2. **SERUM DELIVERY OPTIONS**

- Allergist office ships it **DIRECTLY** to the Hoaglin Wellness Center (address below), **NOT** the main University address .

### Shipping Tips:

- Select an option that requires a signature upon delivery
- Box indicates "temperature sensitive materials"

**\*\*IMPORTANT: Verify the center is open before shipping\*\***

#3. Allergy **INJECTION ORDERS** (dosing and frequency instructions) must come from your allergist and typically are delivered with your serum.

#4. Prior to starting allergy injections, at the Student Wellness Center, you are required to **SCHEDULE AN APPOINTMENT** with one of our medical providers. The purpose is to collect your history related to allergy injections, and to determine if it is safe for you to receive allergy injections in our facility.
