## Image Permission and Usage Agreement

### GENERAL

Applications for images supplied by the Denison Museum may be granted for the following permitted uses:

- Non-commercial, educational, research, or private study
- Educational or study use in a school, college or university (non-publication)
- Presentation or lecture without entrance fee, including PowerPoint
- Print Reproduction:
  - A thesis document submitted by a student at an educational establishment (an electronic version of the research may be stored online as long as it is made available online at no cost to the end user)
  - Use within (but not on the cover of) an academic and scholarly (peer reviewed) book, journal article or booklet, published by an organization for the public benefit with a print-run of no more than 4,000 copies
  - E-book rights or cover images are not covered.  
For these, **please contact Megan Hancock (hancockm@denison.edu)**
- Exhibition use
- Commercial use is strictly prohibited.

In respect of all images supplied and licenses granted via this service:

- The images are licensed for a specific “one-time” use only
- All licenses are nominative and may not be passed on for third-party use
- All images must be credited as follows: ©Denison Museum, Denison University
- All images must contain any other photo/object credits associated with the object
- Images may not be used on any electronic media, including websites, e-books or e-journals, unless specified otherwise in the permitted uses.

If you require these rights, **please contact Megan Hancock (hancockm@denison.edu)**.

- Print reproduction sizes for images must not exceed 8 ½ x 11 page size
- No copyright or proprietary right is conveyed with the use of any image supplied by us
- Images may not be changed, cropped, or manipulated in any way without prior written permission from the Denison Museum; except change from color to black and white
- Images may not be used in any way which could be considered to be deceptive or which could reflect unfavorably upon the good name or reputation of the Denison Museum

In the event of any identified breach of our terms of use we may take any appropriate action to constrain further use and/or seek financial recompense.

## Request for images for research, study, presentations, exhibition, or theses/dissertations

Images provided for research, study, presentations, or theses/dissertations will be of documentary quality with a maximum dpi of 200. Images are not publication quality. **For permission to publish images from the Denison Museum, please fill out the Request for images for publication form below.**

Requests for images for research, study, presentations, or theses/dissertations will be processed as quickly as possible, but could take up to 2 weeks from the date the request is received.
