For the Parent: How to Access Your Student's Information

1. Once your student grants you permission, you will receive an email confirmation with login and access information. Follow the instructions in the email to login to Self Service and set your new PIN. You will be given an old PIN that you'll need to type in as you setup

 Type in your email address, the old PIN from your confirmation email, and create a new 6-character PIN. This new PIN, alongside your email address, will be what you use for future logins.
